Alumni Mentorship Programme (AMP)

Theme
"You cannot create experience. You must undergo it". (Albert Camus)

Problem Definition
Online learning through lecture sessions need to be supplemented with adequate preparation for the corporate world. Students should be encouraged to learn about the present trends in their sectors of interest and be able to plan their career in a more focused manner.

Process
Alumni Mentors are identified on the basis of their willingness, ability and passion to guide the existing students. A group of 10 to 12 students is assigned to each Alumni Mentor.

Why AMP?
Alumni Readiness Programme (AMP) sessions are being organised with the objective of making students orient themselves through handholding by their Alumni Mentors:
➢ While preparing themselves for the corporate, students get into the shoes of the Alumni Mentor and learn from their experience in the industry.
➢ Students are able to hone their understanding of management concepts through guidance from Alumni Mentors.
➢ Students are able to get an opportunity to build a life-long relationship with their Alumni Mentor.
➢ Students are given practise in mock GD/PIs, thereby, preparing them for the actual selection process organised by recruiters.

AMP Outcomes
➢ **Realistic learning:** Student learnings are based on latest perceptions facilitated by Alumni Mentors and actual real-life experiences shared by them.
➢ **Interactivity:** Students get an opportunity to have their queries resolved regarding corporate expectations / myths.
➢ **Confidence:** Students improve their confidence, holistic thinking, knowledge about corporate essentials, all of which are retained for a substantially longer period of time than by other forms of learning.

Programme Details
No. of sessions during the Semester: 4

Team Formation: Teams are formed with students who have opted for Mentorship in sectors of their interest. There are 10 to 12 students in each team.

Process: A plan is announced one week in advance to enable students to prepare for their learnings.
Days: All Saturdays
