 ADITYA INSTITUTE OF MANAGEMENT STUDIES AND RESEARCH <small>AIMSR CREATING EMPLOYABLE PROFESSIONALS</small>	QUALITY FORMS & FORMATS Minutes of Meeting	Format No. : AIMSR/MR/FM/15 Page : 2 of 4
Issue No. 01	Revision No. 00	Issue Date: 01.06.2018

Feedback received from Students:

1. Relevant and current case studies should be taken from Case Bank like Harvard Business School, IIM Ahmedabad, & Emerald Emerging Market Cases.
2. The syllabus of the elective subjects offered should be modified in relation to technological advancements.
3. The subject should encourage sensitivity towards professional ethics and human values.
4. Live projects/practical assignments need to be added in the curriculum.

Feedback received from Teachers:

1. Instructional activities should be aligned with the learning outcomes.
2. Assessments should be developed based on the learning outcomes.
3. Integration of Technology in teaching learning will enhance the learning process and benefit the learner.
4. The ultimate aim of the assignments/projects in each subject should be to address issues such as gender sensitivity & human values.

Feedback received from Employers:

1. Learning outcomes should be framed to enhance the Employability skills.
2. Each subject should enhance skills such as communication skills, team-working, technical knowledge/skill, innovativeness & creativity.
3. Each subject should keep students self-motivated and allow students to take on appropriate level of responsibility.
4. Exposure to use technology and workplace equipment.
5. Should be encouraged to increase the involvement in social activities & thereby, contribute to the society.

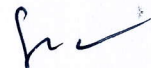

Feedback received from Alumni:

1. Curriculum needs to meet prerequisite and basic knowledge required for planning one's career.
2. Design of the subjects should encourage/motivates extra learning or self-learning.
3. The syllabus of the elective subjects offered should be modified in relation to technological advancements.
4. The subjects should focus on generating awareness & appreciation for the concept of sustainability.

ITEM II

Feedback is taken from **students** on the below mentioned parameters:

- Satisfaction with course related activities of institution
- Knowledge enhancement with curriculum taught
- Usefulness of subjects in real life
- Institute initiatives bridge industry -academia gaps
