CONSTITUTION OF GRIEVANCE REDRESSAL COMMITTEE 2026-27

The institute have established Grievance Redressal Committee with the primary aim of addressing student concerns related to academic, administrative, or personal matters within the institution. Its objectives include ensuring fairness, transparency, and accountability in handling grievances, resolving disputes amicably through mediation and dialogue, and protecting the rights and interests of students. Additionally, the committee works to enhance institutional effectiveness by recommending improvements to policies and procedures, promoting accountability, and preventing the recurrence of grievances.
